Dear Friends of Manna,

Thank you so much for your generous contribution of 106 pounds of food on March 4, 2016. Your support comes at a critical time. Your contribution will help Manna Food Center provide for the needs of more than 39,000 individuals in Montgomery County this year.

Generosity such as yours has increased our capacity to give. In 2008 Manna served an average of 2,068 families in need each month. This past year the local community donated a total of 538,423 pounds of food and we were able to serve an average 3,760 families per month.

"I work two part-time jobs that pay a fraction of what I made before I was laid off.
I make too much to qualify for food stamps but the reality is
that I struggle each month to put enough food on the table.
I don't know where I would be without Manna."

Please know that your contribution is not just supporting the immediate needs of our recipients; it is saving us money on food purchases. We can multiply resources to help our neighbors become self-sufficient members of our community.

Sincerely,

Jackie DeCarlo
Executive Director
